

*Experience Blue Lagoon  
Thermal Spa from* **LUKER**  
Instant & Storage Electrical Water Heaters

*“ We never know the worth of water till the well is dry ”*

  
**LUKER**  
JV LUKER USA

Most modern & integrated  
manufacturing plant for water heaters

Luker, one of the most trusted brands for electrical & electronic products across the globe, is now becoming a household name in India.

A joint venture with Luker USA (JV LUKER USA), a wide range of the most modern heating systems is now launched for all types of domestic, commercial and industrial purposes.

Water heaters & geysers are made in one of the most modern manufacturing units with highest quality standards in production, quality control and testing.

More than the wide range, our safety standards make you greatly comfortable in handling hot water.

The after-sales service at your doorstep is the bond between you and Luker forever.

While we provide you with hot shower, we would also like to remind you to use water responsibly. Know that 2.4 billion people lack access to safe drinking water in the world today.

***"Save water, save life"***

*Blue Lagoon*  
ELECTRIC  
WATER HEATER

# Blue Lagoon Series

Outer body made of rust proof ABS material in attractive and unique design

Inner tank with blue glass line coating, making it 5 times more corrosion resistant than normal tanks.

High-density PUF Insulation to minimize heat loss and reduce power consumption

Glass lined superior INCOLOY heating element with anti scaling properties for long life

Adjustable capillary thermostat for temperature regulation

Inner tank with pressure rating capacity of 8kg/cm<sup>2</sup> is suitable for pressure pump/high rise buildings

Multi-functional safety valve

Advanced resistor anode protects tank from corrosion in different water conditions

Mono-weld design inner tank

High efficiency 5-star rated as per latest BEE norms

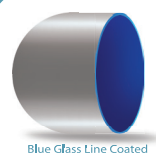

Blue Lagoon Series comes with 10 year inner tank warranty 4 years coil warranty and 2 years product warranty

5 - stars  
per latest BEE norms

\* Introductory offer

Blue Glass Line Coated  
Inner Tank

High - Density PUF  
Insulation

Glass - Lined INCOLOY  
Heating Element

Capacity	Model Number	Rating in Watts	Star Rating	Body Width (in cm)	Body Height (in cm)	Version of Mounting	Working Pressure
6 LTR	LPST06	2000W	*****	30.5	30.5	Vertical	8kg/cm <sup>2</sup>
10 LTR	LPST10	2000W	*****	35.5	35.5	Vertical	8kg/cm <sup>2</sup>
15 LTR	LPST15	2000W	*****	39.5	39.5	Vertical	8kg/cm <sup>2</sup>
25 LTR	LPST25	2000W	*****	44.5	44.5	Vertical	8kg/cm <sup>2</sup>

# THERMES INSTA

Outer body made of rust proof ABS material in attractive and unique design

Heavy Gauge SS 304L grade inner tank

High thermal efficiency heating element

High working pressure rating capacity of 6.5kg/cm<sup>2</sup> is suitable for pressure pump/high rise buildings

High precision pre - calibrated thermostat

Sacrificial anode protects tank from corrosion in different water conditions

safety devices

Fire retardant ISI marked power cord

1 LTR	LIGY01	3000W	19.8	29	Vertical	6.5kg/cm <sup>2</sup>
3 LTR	LIGY03	3000W	21	35	Vertical	6.5kg/cm <sup>2</sup>

\* Flexible connection pipes available in 3L only

**THERMES SLEEK**  
**STORAGE ELECTRIC**  
**WATER HEATER**

# THERMES SLEEK

Attractive ultra slim design suited for low ceilings

Outer body made of rust proof ABS material

Blue zircon glass line coated inner tank for corrosion resistance and long life

30% stronger inner tank

Heavy duty heating element for more efficiency

Double protection and adjustable thermostat for temperature regulation

Can withstand pressure up to 8 kg/cm<sup>2</sup> is suitable for pressure pump/high rise buildings

Advanced triple safety valve

Advanced resistor anode protects tank from corrosion in different water conditions

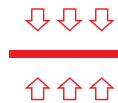

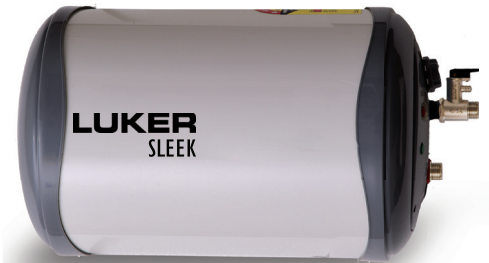

New high-density PUF insulation to minimise heat loss and reduce power consumption

Rated for highly efficient energy consumption

Thermes Sleek series comes with a 5-year inner tank warranty, 3-year coil warranty and 2-year product warranty

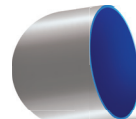

Ultra slim design

30 % stronger inner tank

8 kg/cm<sup>2</sup> is suitable for high rise buildings

Blue zircon glass Line Coated Inner Tank

WARRANTY  
5 YEAR  
ON INNER TANK

4 - stars  
per latest BEE norms

Capacity	Model Number	Rating in Watts	Body Width (in cm)	Body Height (in cm)	Version of Mounting	Working Pressure

15LTR	LLSTH15	2000W	51cm	27.5cm	Horizontal	8 kg/cm <sup>2</sup>

**THERMES PLUS**  
STORAGE ELECTRIC  
WATER HEATER

# THERMES PLUS

Outer body made of rust proof ABS material with attractive design

Inner tank made high gauge steel with glass line inner coating for prevent corrosion

Heavy duty heating element for more efficiency

Adjustable thermostat for temperature regulation

Can withstand pressure up to 8 kg/cm<sup>2</sup> and is suitable for pressure pump and high rise buildings

Safety systems

Sacrificial anode for extra long life

PUF insulation to minimise heat loss and reduce power consumption

High efficiency 5-star rated as per latest BEE

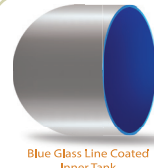

Thermes Plus Series comes with inner tank warranty of 5 years, heating element warranty of 3 years and product warranty of 2 years

5-stars as per latest BEE norms

\* Introductory offer
